

On behalf of PGA REACH Philadelphia, we are excited to announce the PGA HOPE Philadelphia Program, a FREE five week golf program for military veterans. The program includes five weeks of instructional clinics held at local golf facilities in the area along with a graduation event at the end of the program. The clinics are taught by Philadelphia PGA Professionals and the instruction is catered to each individual's skill level and ability.

Golf clubs will be provided for those that need them for use during the clinics. If you have your own clubs, please bring them with you. If you have any physical challenges our PGA Professionals will be prepared to help you enjoy your experience and get you started on your way to enjoying the game.
